The Honorable Rosa L. DeLauro,
Chairwoman

The Honorable Kay Granger Ranking
Ranking Member
Committee on Appropriations
The Capitol Washington, DC 20515

Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the Rutherford Beach Shoreline project in the Fiscal year 2023.

The entity to receive funding for this project is 148 Smith Circle, Cameron, LA 70631.

Funding would be utilized to construct approximately 500 linear feet of breakwaters. The breakwaters reduce shoreline retreat by allowing natural sedimentation to form a new beach behind the structures that will begin to restore the land outward toward the rock breakwaters. This project is consistent with the Louisiana Coastal Master Plan.

I certify that neither I nor my family has any financial interest in this project.

Respectfully,
